IN126STx

Bright short throw projector at a great low price

Part #: IN126STx

InFocus

The InFocus IN126STx short throw projector combines short throw, high brightness, networking, and low cost – making it perfect for the classroom, office or other tight space.

Key Features

- WXGA (1280 x 800) native resolution
- Short throw lens (0.52 throw ratio)
- Up to 3700 lumens of brightness
- Display over HDMI, VGA, composite or S-video
- Networkable for easy management
- Incredible, sharp images with 14,000:1 contrast ratio
- Compact and light weight for easy portability
- Display 3D content from Blu-ray, PCs and more

Why Choose the IN126STx Short Throw Projector?

- Big, vivid images from a short distance with no shadow interference
- High brightness that delivers clear images with the lights on
- 14,000:1 contrast ratio delivers incredible sharpness with darker blacks and whiter whites
- Instantly stop projecting from the remote control to lengthen lamp life and save money and energy
- Easily move the projector from room to room or install and manage remotely over the network
- An exceptional 10-watt speaker fills the room with sound

Priced Right

The ultra-low purchase price is just the beginning – the lamp is long-lasting and no filters.

- Great low price to fit your budget
- Use Eco Blanking when the projector isn't used to lower the lamp's power usage and extend its life

- Average lamp life is 5,000 hours in Eco Blanking mode, 3,500 hours when in Eco Mode, and 2,000 hours in normal mode
- No filters to clean or replace

Count on Quality

Even at this incredible low price this projector is made to perform with high-quality image technology you can count on.

- Quality images and true-to-life colors with DLP® technology with InFocus BrilliantColor™ implementation
- Amazing 14000:1 contrast ratio adds sharpness with darker blacks and whiter whites
- Preset modes give you the best image quality on a beige wall, whiteboard, blackboard or other surface
- 3D-ready: project Blu-ray and PC-based 3D content via HDMI to improve learning and retention of complex concepts

Compact Powerhouse

Compact size makes it easy to move from room-to-room, but powerful enough to install

- HDMI input for fast, high quality display of digital devices
- High brightness that can combat bright lighting situations
- Built in speaker and 3.5mm audio out port provides clear audio
- RS232 port means it can be easily integrated into room control systems

- Weighs only 5.1 lbs. (2.3 kg)

Specifications*

Projector	IN126STx
